

## **I Pledge to Keep the Peace**

- I, \_\_\_\_\_, commit to keeping the peace between myself and others.
- I commit to being a peacemaker when the need arises.
- I commit to managing myself and being my best self.
- I commit to using my skills and talents for good.
- I commit to being mentored in areas where I need growth.
- I commit to being a mentor to someone in need.
- I commit to following the law even when no one is watching.
- I commit to doing a random act of kindness once a month.
- I commit to staying out of trouble and encouraging those in my circle to do the same.
- I commit to using my words, actions and deeds to demonstrate peace.
- I commit to being silent, when I can't find the words to create peace.
- I commit to leading by example, instead of preaching by example.
- I commit to living, speaking and acting in accordance with values which benefit my family and community.
- I commit to forgiving others, even when the person is unaware of their impact on me.
- And if I break this Pledge, I commit to forgiving myself and renewing my commitment to keeping the peace.
